L-969

All-Hazards Communications Unit Leader Training

Lincoln, NE February 2 - 4, 2016

Sponsored by Nebraska Emergency Management Agency

The All-Hazards Communications Unit Leader (COML) course trains emergency responders to serve as radio communications unit leaders during all-hazards emergency operations. COML responsibilities include developing plans to effectively use incident communications equipment and facilities, managing distribution of communications equipment to incident personnel, and coordinating the installation and testing of communications equipment.

Class Prerequisites

All-Hazards COML candidates must have the following prerequisites to attend the course:

- A public safety communications background with exposure to field operations; this experience should be validated by the authority who supervised the applicant.
- Basic knowledge of local communications and communications systems; frequencies and spectrum; technologies; local topography; system site locations including knowledge of state, regional, and local communication plans; and communications and resource contacts.
  - Completion of the following training courses:
- IS-100
- IS-200
- IS-700
- IS-800b
- ICS-300
- **(Certificates must be provided at the time of registration)**

Students will be required to submit a completed and signed 119-25-1 admissions application prior to the registration deadline.
