**April 14 - 18, 2025**  
**0800 - 1700 All Days**  
**Nebraska Emergency Management Agency Training Center**  
**2433 N.W. 24th St. Lincoln, NE 68524**

## Course Overview

This course helps participants establish the essential core competencies required for performing the duties of the Situation Unit Leader (SITL) in an all-hazards incident. This course addresses all responsibilities appropriate to an SITL operating in a local-or state-level All-Hazards Incident Management Team (AHIMT). These responsibilities include processing information and intelligence and developing displays.

This course is an instructor-led training that supports learning through discussion, lecture, and active participation in multiple exercises that provides a realistic, scenario-driven approach to mastering the skills required of an SITL. By requiring participants to bring an SITL Kit to the instruction, the course provides a realistic, hands-on approach to mastering the skills of an SITL.

NIMS ICS Position Specific training should be completed by personnel who are regularly assigned to functional, support, or unit leader positions on USFA or other Type III All-Hazards Incident Management Teams (AHIMT), or by those persons who desire to seek credentials/certification in those positions.
