

NIMS - ICS Compliant L-971 All-Hazards Facilities Unit Leader Course

safety of responders and others . achievement of tactical objectives . efficient use of resources

March 3 - 7, 2025
0800 - 1700 All Days
Buffalo County Emergency Management Training Center
1512 Central Ave. Kearney, NE 68847

Course Overview

The course will help participants establish the essential core competencies required for performing the duties of the Facilities Unit Leader (FACL) in an all-hazards incident. The course walks participants through general information, including an overview of the Logistics Section and information on incident mobilization, initial situational awareness, and unit management. It also provides detailed instruction in setting up and maintaining incident facilities, including facilities infrastructure, services, layout, and security.

This course is an instructor-led training that supports learning through discussion, lecture, and active participation in multiple exercises that provides a realistic, scenario-driven approach to mastering the skills required of a FACL. Each unit contains a discussion-based exercise and there is a capstone tabletop exercise at the end of the course to give participants hands-on practice functioning as an FACL.

NIMS ICS Position Specific training should be completed by personnel who are regularly assigned to functional, support, or unit leader positions on USFA or other Type III All-Hazards Incident Management Teams (AHIMT), or by those persons who desire to seek credentials/certification in those positions.
