NEBRASKA NONPROFIT SECURITY GRANT PROGRAM (NE-NSGP) APPLICATION

As part of the Nebraska Nonprofit Security Grant Program (NE-NSGP), eligible 501(c)(3) organizations must develop a formal application that addresses each initiative proposed for funding. These applications must demonstrate how proposed projects address gaps and deficiencies in current programs and capabilities. Additionally, the application must demonstrate the ability to provide enhancements consistent with the purpose of the program and guidance provided by the Nebraska Emergency Management Agency (NEMA). Nonprofit applicants must ensure that the application is consistent with all applicable requirements outlined below. Each application must be for one facility/location.

NEMA has developed guidelines that establish the required application content and help ensure that submissions are organized in a consistent manner while addressing key data requirements. This form may be used by nonprofit applicants to complete and submit their application. Failure to address these data elements in the prescribed format could potentially result in the rejection of the application from review consideration.

Nonprofit applicants must use the following naming convention when submitting required documents for the NE-NSGP: "FY2025_NE-NSGP_<Nonprofit Name>".

Applications should be submitted by the nonprofit organization to NEMA via email at NEMA.NSGP@nebraska.gov as a completed fillable Adobe file. Scanned copies will not be accepted. Nonprofit applicants should contact this email to get information on the application deadline and other requirements.
