

Invitation: **APRIL 2019 MISSION SITUATION REPORT (SITREP)**

CODE NAME: IPX 2020

YOUR MISSION STATUS: Mission Essential/Mission Critical

MISSION DATES: April 16th & 18th

TIME: 1400-1530 hrs.

LOCATION: NEMA-SEOC

MISSION ESSENTIAL PERSONNEL: ALL ESF Representatives for State Departments & Agencies

ACTIONS REQUIRED: Registration for *April* Technical Assistance (TA) & Game Day Training Sessions

SITREP:

All ESF personnel, partners and stakeholders should go to the NEMA Training Website at <https://nema.nebraska.gov/operations/training-schedules> to register for the February IPX Trainings on the dates noted above. *Pre-Registration is critical to planning for the number of attendees and the planned training activities.*

MISSION DETAILS:

ESF representatives should bring copies of any checklists you have for your agency relative to your roles and responsibilities during a response to an incident/accident at Cooper Nuclear Station (CNS) and the checklists we worked on developing in the February/March TA Training.

Focus of this training will be on incorporating and communicating with locals to implement protective actions related to food stuffs, embargos/quarantines, gathering and sharing information, requesting resources, etc.
