

Invitation: **FEBRUARY 2019 MISSION SITUATION REPORT (SITREP)**

CODE NAME: IPX 2020

YOUR MISSION STATUS: Mission Essential/Mission Critical

MISSION DATES: Feb. 19 & Feb. 21

TIME: 1400-1530 hrs.

LOCATION: NEMA-SEOC

MISSION ESSENTIAL PERSONNEL: ALL ESF Representatives for State Departments & Agencies

ACTIONS REQUIRED: Registration for *February* Technical Assistance (TA) & Game Day Training Sessions

SITREP:

All ESF personnel, partners and stakeholders should go to the NEMA Training Website at <https://nema.nebraska.gov/operations/training-schedules> to register for the February IPX Trainings on the dates noted above. *Pre-Registration is critical to planning for the number of attendees and the planned training activities.*

MISSION DETAILS:

ESF representatives should bring copies of any checklists you have for your agency relative to your roles and responsibilities during a response to an incident/accident at Cooper Nuclear Station.

Focus of this training and checklist development will be on the post-plume actions and the intra- and inter-dependencies between State and local departments and agencies.
