

Recovery - Before, During, and After a Disaster Training

Seward & York, NE

September 19, 2022

**Seward County:
9:30 A.M. to 11:30 A.M.**

**York County:
1:00 P.M. to 3:00 P.M.**

Sponsored by Nebraska Emergency Management Agency

Overview:

This course is designed for new or experienced city/county: clerks, administrators, elected officials, or any individuals who will be involved in the disaster recovery process. Attendees in this course will gain an overview of NEMA's Recovery Programs and their role before, during, and after a disaster occurs. Topics include: Hazard Mitigation Planning, Public Assistance Grant Program, Hazard Mitigation Grant Program, and Long-Term Recovery.

There is no registration fee for attending; NEMA is **not** providing meals, room, board or mileage to attend this course.

Each session is limited to 80 participants.

Register on line at: <https://nema.nebraska.gov/operations/training-schedules>
