

## NEWS RELEASE

**Lincoln NE, April 17, 2019** – The Nebraska Volunteer Organizations Active in Disaster (NEVOAD) and its community partners will open a Multi-Agency Resource Center (MARC) in Lynch on April 22 at the Lynch Middle/High School Gymnasium, 701 Hoffman St, Lynch, NE 68746.

The Lynch MARC will serve Boyd County primarily, but anyone affected by the 2019 Nebraska Flood can come to the MARC for services and resources.

The MARC will offer impacted residents access to a variety of recovery resources, including financial assistance for those who qualify, from multiple relief agencies.

The MARC brings recovery resources and offers residents convenient access to agencies in one central location. The American Red Cross, Salvation Army and the Nebraska Volunteer Organizations Active in Disaster (VOAD) are just a few of the organizations that will be available at the MARC.

This is one of several MARCs that will be open throughout the flood zone over the coming weeks.

“Our goal is to get resources and referrals to people in need and anyone affected by the recent floods is welcome,” said Mark Lenz, Community Engagement and Partnerships Lead for the Red Cross disaster relief effort.
