

LEOP Workshop and GMS Orientation for Emergency Managers

Nebraska Emergency Management Agency
June 16-17, 2016

8:30 A.M. to 4:30 P.M.

Sponsored by Nebraska Emergency Management Agency

During this workshop, our staff will walk you through the LEOP in its entirety and will have computers set up for each one of you to work on your individual county LEOP. This will be a true workshop, allowing you time to update, revise and edit your LEOP with our team available to answer any questions.

Please bring a flash drive with your most recent plan, the 2016 LEOP template and any information needed to complete your plan.

In addition to the LEOP workshop, Nikki Weber will be doing a GMS orientation on Friday morning from 0900-1100. We will have computers set up so that you may access your own GMS account during the orientation, allowing you to become more familiar with GMS and have Nikki answer any questions you may have. Please register for the workshop, the orientation or both.

- There is no cost to attend the workshop and orientation.
- Meals will **NOT** be provided.
- Registration is limited to 15 attendees.

Below is a list of suggested items or information to compile and bring:

- County officials names and phone numbers
- Resource lists
- NACO book
- Municipalities book
- Phone book for local providers
- Communication information

We hope to see you in June.

When:

June 16 - 17, 2016

8:30 A.M to 4:30 P.M.

Where:

NEMA

2433 NW 24th Street,
Lincoln, NE
