

G191

Incident Command System (ICS)/Emergency Operations Center (EOC)
Interface Workshop

Lincoln/Lancaster County Health Dept.

Lincoln, NE

January 19, 2017

Overview:

The purpose of this workshop is to enable you to develop ICS/EOC interface implementation strategies or action plans for your communities. It will help you begin the planning process by proposing and discussing options in a neutral environment. It is important to understand that there are no rigid solutions to the ICS/EOC interface issues.

This course will not present a detailed discussion of either ICS or the EOC.

Who should attend:

All Mid-level Management Federal/State/Local/Tribal/ Private Sector & Nongovernmental personnel, The target audience includes personnel associated with: On-scene Incident Command, EOCs and Multiagency Coordination (MAC) System entities. Law Enforcement, Fire and EMS, Hospitals, Medical Care Providers, Public Works, Volunteer Organizations and Emergency Managers.

- **No Lodging or Meals are provided during this course.**
- **Student must attend all sessions to receive the state certificate.**

There is no fee to attend this course.

- Class is limited to 30 students
