

G489: Management of Spontaneous Volunteers in Disasters

Registration Deadline: Nov. 2, 2016
(Free to attend, lunch provided)

Course Goals:

This one day course has been developed for individuals responsible for the management of spontaneous volunteers.

The course will outline the benefits and challenges of utilizing spontaneous volunteers during relief efforts.

Special emphasis will be placed on how to fully plan for and operate a Volunteer Reception Center Program.

Classroom training will be conducted during the morning session and a disaster simulation will be held during the afternoon session.
