

L-962 PLANNING SECTION CHIEF

December 6-9, 2016

**Nebraska State Patrol-NIAC
3800 NW 12th St.
Lincoln, NE 68521**

This course provides an overview the Planning Section Chief position planning process and contextualizes the Resources, Situation, Documentation and Demobilization Unit within the Incident Command System (ICS).

It then explores key functions and responsibilities including resource tracking systems, operational planning, and resource products/outputs, map production, managing the planning process and facilitating meetings.

Exercises/simulations, discussions, and a final exam enables students to process and apply their new knowledge.

**Pre-Requisites: IS 100, 200,300, 700,703
Recommended: 400**

Recommended: Real world experience on an actual incident in the planning section
