

# ICS 300, AND 400

## JULY 12<sup>TH</sup>- 15<sup>TH</sup>

**ICS – 300:** This is an intermediate command level course intended for managers and supervisors from response agencies who would have to work together to handle a terrorism and/or WMD incident from an Incident Command Post or Emergency Operations Center (or equivalent).

**ICS- 400:** This course provides training for senior personnel who are expected to perform in a management capacity in an Area Command or Multi-Agency Coordination Entity. This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in ICS-100 through ICS-300 courses. This course will include but not be limited to: major and/or complex incident/event management, area command, and multi-agency coordination. This course is designed to provide overall management skills rather than tactical expertise.

**Who should attend:** Law enforcement; hospital/EMS response; firefighter; emergency management; public health; public works; state/local government agencies.

**Prerequisites:** IS 100, IS200, IS700 AND IS800

**Location:**
