

Nebraska State Historical Society & Historic Preservation Office

SECTION 106 REVIEW

In order to request the comments of the State Historic Preservation Office concerning possible project effects on cultural resources for purposes of the National Historic Preservation Act, the following information should be provided:

1. Detailed description of proposed undertaking;
2. Name of all funding assisting, permitting, and/or licensing agencies in the project (state and federal);
3. A clearly legible map of project location, including project site plan, if applicable;
4. Clear, current photos of all standing structures within the project area. No Xerox, or faxes please. If using digital images, please make sure that the images are clearly visible when printed. It is helpful if the photographs are keyed to the site plan;
5. Project address(es); and
6. Project plans and specifications, if applicable.

This information should be sent to:

Nebraska State Historical Society
State Historic Preservation Office
1420 P Street
PO Box 82554
Lincoln, NE 68501-2554

Please note that we are unable to accept official Section 106 review submittals via email.
