How To Play-Online
Hot Zone-Wheel of Wealth PPT Game

1. Open File
2. Choose “Enable content for this session” and click “Ok”
3. Click on the “Game” button in the lower right hand corner
4. Click on “Rules” anytime to by-pass the teams since you are playing alone on the computer
5. Click on “Start” anytime since you are playing alone on the computer
6. Click on “Spin” to start the wheel spinning
7. Click on “Spin” again at any time for the wheel to randomly stop
8. Once you know the point value you are playing for (if it even matters to you), then go to #1 under the words “Wheel of Wealth” in the orange section to reveal the first question. Once you successfully answer each question, click on the “Board” button in the bottom right-hand corner to go to the puzzle page.
9. Pick a letter and attempt to solve the puzzle. If you are unable to solve the puzzle, then click the “Home” button in the bottom right-hand corner to return to the game.
10. After you complete the first 10 questions (the 2 orange lines), you can increase the value on the wheel by clicking on the “Values” button.
11. Proceed with question 11 in the blue continuing through the next 10 questions in numerical order.
Click the "Spin" button the first time to start the wheel spinning and a second time to initiate the random stop.

Click the #1 for the first question after you know the point value you are playing for. You will repeat the spin and move up in numerical order for each question. AFTER you complete question #10, you will click on the "Values" button to increase the values on the wheel and continue with the questions in numerical order in the blue section. When you have completed the "20 Questions" click on the "Finale" button to see the "winners" screen or simply click on your "ESC" key on your computer and repeat for Round 2.
