- Businesses smaller than 500 who want to be members provide a donation of their choosing as cost of membership has sometimes been cost prohibitive.

iii. Omaha Health Care Coalition (HCC): Justin Watson

- Participated in interview process for new MRC coordinator
- Evacuation Table Top exercise was held
- August 15th full-scale evacuation exercise. Not a lot of minor patients at Children’s – Evening full-scale exercise - had 18 receiving facilities take in 134 victims – 17 minor areas for improvement. Used Knowledge Center to track communication in & between facilities.
- Cybersecurity workshop on August 30th – over 100 attendees,
- Corrective action process from flood – met to discuss issues experienced during flood. During flood, received a lot of individual requests – not anticipating those things.

iv. Public Health: Douglas County Health Department, Sarpy/Cass Department of Health, Three Rivers Public Health Department

- Vaping – across NE potential vaping illness, 4 confirmed, 3 probable. FDA has chosen to ban non-tobacco flavored vaping – CDC in agreement.
- Increase in Mumps cases. One in Northeast NE, bleeding into SD – one in Douglas County associated with that exposure.
- Flu season – encourage to get shot.
- 2 confirmed cases of West Nile in Douglas County – several others across NE.
- Local responders want solid recommendations about vaccinations in flood areas. In a flood event if you have not had a tetanus vaccine in the last 10 years it is recommended. Should not vaccinate outside 10 year window or there can be serious side effects. Will put together recommendations.
